From our President

I am now on summer vacation, yet, Ken keeps hassling me to get with it so he can get his newsletter out. Guess he needs a reminder of what life is like when you have to work. The heat is upon us, so be sure to drink early and often. Don't forget the sunscreen, either, even though I don't like to wear it when I run. Something about clogging up all the little holes where the sweat comes out.

I think I've had my race for the summer. I went to Bend (Sunriver) OR, for the Pacific Crest Half-marathon. The course is just one big meander through the woods. This year, the weather was very cool, and it really helped. It wasn't unpleasant once the course came out in the open for a couple of miles. The part that nearly did me in was coming up out of the tunnel under the road about a quarter mile from the finish.

I did see a turn off at the northern most part of the course to Benham Falls (actually about the only thing I do remember). I have no idea how far it was;

I've run there from Bend before on the River Trail. It's pretty rugged and very scenic. Somewhere in the neighborhood of 15 mile round trip from the Meadow Camp trailhead. I remember lots of mosquitoes coming after me, but that's nothing new. The Bend area has always been a favorite spot of mine. Next time your vacation comes around, try it...you'll like it! After our disaster at the PPP (Pole, Pedal, Paddle relay) in May, I was surprised that I was willing to go back, but I feel better about it now, and a mere(?) six weeks later, Tyra is on the mend and nearly ready to rejoin life. Hooray!

Keep your life in perspective, wear your bike helmet, better yet, buy a new one, watch out for big dogs, even when they are on a leash, and I will see you on the trails, moving slowly but surely.

Welcome New Y-Striders

Harold & Julie Frobisher

YMCA and the Striders

One of the benefits of Y-Strider membership is that you are allowed to use the Y facilities after the Saturday run for the fee of only \$1. YMCA membership is not required. Just pay the \$1 at the counter, and when entering, tell them that you are a Y-Strider. Under the new rules, bring your own towel or pay an extra \$1 to use a Y towel. If you have never received your membership card or need a replacement, call Ken at 323-8059 or e-mail at karcher99@msn.com

Y-Strider Blue Shirts

We still have a few of the blue Y-Strider long sleeve shirts. They are 90% polyester, 10% elastane and great for showing off your physique. See Diane if you are interested. Price has been reduced to only \$10.

Y-Strider Sweatshirts

The club has a limited supply of navy blue hooded sweatshirts with the Strider logo embroidered above the left pocket, if it had a left pocket. They are made by Russell, are 50/50 and we have various sizes. See Diane if interested. The price: \$25.

Y-Strider Web Site

Check out the site at boiseystriders.org. It has been getting better and better and includes many race photos and race results, schedules, running routes and information about the club. We have received many photos from Striders with pictures from races. Rich has it set up so you can click on the snapshot version and a large, sharp, detail version comes up which you can view and save, and, of course, print or send to photo stores for copies. Rich can put in as many as he can get, so help make the site even better by sending photos to him at dpcmarion@decobug.com or for putting in the News-

letter, send to Ken at karcher99@msn.com. Sending by e-mail works perfect, but hand deliver or snail mail is OK.

Race Result Reporting

Our webmaster, Rich Marion, has established an e-mail address just to be used for reporting race results. Any mail sent to that address will go both to the Newsletter and the Strider Web Site. It would be much appreciated if everyone sends data including race name, distance, date, and their time. It is difficult, time consuming and sometimes impossible to obtain race results. The address is: results@boiseystriders.org

Y Striders Injury Report

Reporter: Lois Allen

Tyra Stubbs had a serious head injury in June while doing the cycling leg of the Pole/Pedal/Paddle relay. She is out of the hospital and continuing to work hard on rehab, and has made amazing progress. She is one tough athlete.

As of several weeks ago, **Jim West** was recovering well from back surgery and starting to think about the big move from walking to running. By now he has probably registered for an ultra. Or possibly completed in one.

Tony Rerecich's knee is improving, along with his attitude. **George Karcher's** calf injuries may or may not be improving, but they don't seem to be slowing him down.

Ken Karcher had a brief episode this past month of his Wandering Injury - first on one foot, then on the other side, then drifting up to another body part - but Ken's injuries never last long.

Pat Bowe is having problems with an entire right leg, but he says it only bothers him when he sits or stands. This is an easy problem to solve, Pat: Just spend all your time either running or asleep.

Thanks in part to PT Michael Devitt, **Rika Clement's** hip injury is finally beginning to improve. After weeks in the gym, she has actually turned up to run on a recent Saturday. Meanwhile, **Rachel Corey** is recovering from a tendon injury in her foot.

Terry Hoebelheinrich has fractured his arm in 7 places after being thrown from Red's Bad Attitude after just 4 seconds in his Professional Bull Riding debut. **Reid Harter** has a broken nose after yet another one of his drunken brawls. And **Rich Harris** suffered minor internal injuries during a hot-dog eating contest.....

Okay, I made those last few up. But seriously, if we don't mention your injuries in the newsletter, it's not because we don't care. It's just because you're suffering in silence.

Diane finally found a diet program that works.

Cancer Survivor, 75, Runs Marathon

[This article was in a Georgia Newspaper early this year]

One of the oldest runners in Sunday's ING Georgia Marathon raced for health reasons, but not in the way you might think.

John Hubert ran to prove chemotherapy and cancer doesn't have to defeat you. In a way, it can release you, to really go for it. "I'm working on 50 marathons and one in each state, but I'm only up to 10 now, so I have a long way to go." John said.

"It's not very often you see a 75-year-old man going through chemo who says, 'you know, I'm going down to Atlanta and run a marathon' "said Eric Hubert, Johns nephew.

Hubert who was once a Navy captain, decided to start pounding the pavement ten years ago. "Once you get snake bit running, it's just the social aspect because you've conquered the course. So, it's just a wonderful feeling," said John.

John pulled a muscle on the 20th mile, but his nephew said he walked the final 8 miles and finished.

After retiring from the Navy, Hubert worked for NASA in the space shuttle program and now lives in Boise, Idaho.

[John runs with the Wednesday morning group. He moved to Boise from New Orleans one week before Katrina. We hope his luck continues]
